

# The Village Voice

June 2015

With the sunny, warmer days of June, residents and visitors enjoy a stroll out to the pond. Many are now going out to see the three new Cygnets born May 25<sup>th</sup>, while others like to sit in one of the deck chairs to look at the water and fountain. Many residents like to sit in the shade of the gazebo to read a good book. On the way to the pond, it is special to stop to look at the Memory Garden with its beautiful flowers and artistic sculptures. Whatever the reason, going out to the pond is worth the short walk!

## Visit the Rose Garden at Minnetrista

Westminster is honored to sponsor the *Senior Free Admission Day* at Minnetrista. The next one will be on June 17<sup>th</sup>, at 10:00 am and 2:00 pm. Enjoy freshly cut rose samples from the rose garden, then take a tour of the rose garden and gazebo with one of Minnetrista's expert Horticultural staff.

## Construction Corner

The construction is moving along at a steady pace. The brickwork on the exterior of the new Event Hall, Assisted Living Entrance

Event Hall

and Assisted Living Dining Room, with an extension of the second floor lounge, is now complete. The framing on the extension for the new Wellness Center is almost completed. We anticipate the installation of the windows any day. Once the windows are in then the dry wall work can begin. Crews have been laying the

foundation for the new Rehab-to-Home neighborhood, which is part of the Health moment at Westminster Village!

### **Resident Activities in June**

There are many interesting programs and activities for the residents to choose from in June. Several speakers have been invited to talk about “Real life in the Modern White House” and explain the mission of *Second Harvest Food Bank*. The Lunch Bunch will be going to *McAllister’s* and *Chocolate Moose* in June. Some residents will be going to Civic to see “*The Wizard of Oz.*” Every June we plan a Gazebo Picnic and have a KFC chicken lunch alfresco!
