

# The Village Voice

April 2016

---

Spring is a time of life bursting forth and new growth never felt as good as it does right now around Westminster Village. With the construction and remodel nearing completion, Westminster feels like a new flower breaking out of the spring soil ready to erupt in beautiful blossoms. Outside, new landscaping is taking hold. Grass, planted last fall, is green and lush, while the trees are starting to bud out in a preview of what is yet to come.

## **Construction Corner**

In October of 2014, Westminster Village began *Building a Better Place to Live Life in Balance*. This growth and renovation project was to encompass almost all of our three hundred thousand square foot retirement community and 32 acres of grounds surrounding the building. By the time we say goodbye to April, we will also bid farewell to all the of the tradesmen whom we have come to know as part of our extended family. Just as May brings the flowers that were nurtured by April's showers, Westminster will open a new door to a beautiful future of growth and enrichment enabled by the accomplishments of many. We hope that you will visit us soon and see for yourself how Westminster Village has been *Building a Better Place to Live Life in Balance*.

## **A Ribbon Cutting and Open House Scheduled**

Westminster Village's new CooperVista Rehab-to-Home Neighborhood will be open to the public on Thursday, April 28<sup>th</sup>, for a Ribbon Cutting and an Open House following. The festivities begin at 2:00 pm, until 6:00 pm. There will be tours offered and refreshments served.

## Resident Activities for April

Monthly activities are available for residents to participate in if they so choose. In April, residents can attend the Tips and Tricks for Your Smartphone or Tablet class. Many residents will be attending the Artist Series, “*Let it Be*” and “*Ragtime: The Musical*,” at Emens Auditorium. Residents will also be going to Muncie Symphony Orchestra’s, “*Night at the Opera*,” also at Emens. The Department of Theatre & Dance has performances of, “*Dancing Toward Change*” and “*Hairspray*,” on the BSU campus. This month, the Lunch Bunch will be dining out at McCallister’s and Chili’s. A select group from MSO will be at Westminster for a concert. The BSU Women’s Basketball Team will visit Westminster and join residents for Thursday night Bingo. A few of the daily activities will include Pictionary, Jeopardy, Dominoes and Wii Bowling.

### Senior Moments, *Been There...Done That!*

One evening at a concert, the Polish-born pianist Josef Casimir Hoffmann (1876-1957) sat down at his piano with a look of confusion. The other members of the orchestra waited, becoming increasingly alarmed. Finally, Hoffmann leaned toward a woman in the first row of the audience and whispered, “May I please see your program, madam? I forget what comes first.”
