

The Official Rose of Westminster Village

During the *Senior Free Admission Day* Rose Garden Tour at Minnetrista in June, Westminster's Resident Rose Selection Committee selected three roses, from a group of 7 roses, to bring back to Westminster so residents could choose one to become *The Official Rose of Westminster Village*. On Tuesday, June 23rd the residents voted the "Golden Celebration" rose as *The Official Rose of Westminster Village*. This English Rose, by David Austin, has fragrant golden blooms. The flower form is a full-petalled cup and the shrub reaches a height of 4 ft. to 5 ft. The official rose will be planted in a special rose bed at Westminster Village during the landscaping construction phase, scheduled to begin this fall.
