Westminster Village Resident Spotlight

“After living alone for 16 years, in 2015, I began checking out senior retirement communities, and decided to make Westminster Village my new

home. I moved in while Westminster was in a huge building/remodeling project which added many great changes. I love the beautiful landscaping, the pond and the swans are a highlight. I love to walk, so the sidewalks and lawn are very inviting for this type of exercise. Living here 6 years in March, I’ve met many wonderful people. I enjoy talking with people and encouraging them. Friends I’ve made at Westminster have passed away, but I am blessed by new friends and

acquaintances. In my search for a new home, I found that Westminster Village offers more as far as apartments, Residential Living, Assisted Living, Skilled Care, entertainment, cleanliness, regular Maintenance, etc. I would recommend this community as your new home because your needs and wants are met by the staff who strive to make your home comfortable and pleasant in every way.” – **Barbara Parker** was born and lived in Delaware County,

graduating from Harrison Township. At the age of eighteen, Barbara drove to Anniston, Alabama, to marry Robert Parker, while he was stationed at Fort McClellan. Barbara enjoyed the challenging job as a CNA for one year, then another year in Practical Nurse School to become an LPN. Her nursing career was cut short when she became ill and the doctor would not release her to work as a nurse any longer. In 1976, she and Bob moved to Venice, Florida. They were there for 18 years caring for Bob’s parents. During this time they also did some traveling in their RV. In 1994, they returned to Muncie to help take care of Barbara’s parents. Barbara lost her beloved Bob in 1999. They had been married for 47 wonderful years.

CCRC: Myth or Fact

Myth: *“It’s such an easy decision to make that I’ll just wait.”*

Fact: This is often not the case. For many, it’s a decision that takes

careful consideration. And what if the community you like best has a waiting list? Yes, waiting lists already exist and are expected to grow as more Baby Boomers retire. Take time to tour senior living

communities and compare your options. Use a *retirement community checklist* to help you ask

the important questions while you tour.

Most importantly, you need to have a plan. You may think you won't move to a senior living community for many years or even ever; however, life can change, your situation or circumstance may change and it is better to know the options now rather than later when there may be limited choices and availability.

First Merchants Bank Installs a New ATM Machine

We are pleased to announce that a new ATM from First Merchants Bank has been installed in the Café at Westminster Village. This provides a definite convenience for residents as well as employees who have access to it 24/7. Another benefit of living at Westminster Village!

Westminster Village Has Experience You Can Trust

In today's world, we never know what might occur – in our lives, with our personal health, our community, state, nation or globally. Everyone needs to be prepared for the unexpected.

At Westminster Village, you can experience the comfort

of knowing that, as a resident, our staff is here for you and that you are not alone. If at any time you just need extra assistance, or if there is a major emergency, we are prepared to serve you. As a Life Plan Community, you can have peace of mind knowing that our goal is to

meet your needs today, as well as into the future. To schedule a

tour, or just ask a question, call Tyler Ewing or Melody Scoble.

If you would like to opt out of this newsletter, please call Melody at 765-288-2155.
