Westminster Village Resident Spotlight

“My mom first had the idea for me to move some place to live as I approached retirement age. Both of my parents wanted me to be in a safe place, so my brother, Gary, started looking around in the area for retirement communities. I looked at a facility in Yorktown but it didn’t have certain services that I was looking for. I toured Westminster Village several times and made the decision to move in. It took me a couple of months to settle in but I did.

I enjoy the other residents and I find them very friendly. I have a full kitchen apartment, with a 1 Meal Plan, and eat my dinners in the dining room. I find the food to be really good and there is a variety to choose from. The Dietary staff is polite and helpful. I love my apartment! We have a great Housekeeping crew that cleans my apartment every two weeks and I try hard to keep it looking nice in between my cleaning days. I really like the grounds around Westminster. There is a sidewalk that goes all around the building that is almost a mile. As you are walking along you can look at all the beautiful flowers and trees. The swans on the pond are fun to watch. I just enjoy myself here. Moving to Westminster was a good decision!”

– **Donald (Donnie) W. Shroyer** has been a resident of Westminster Village for almost nine years. Donnie was born in Muncie and graduated from Daleville High School. After high school he worked at Ross Grocery Store on Hoyt, and then began his career working at Ball Memorial Hospital. Donnie worked in the hospital kitchen for over 42 years, until he retired. He had many vacations with his family, going on a cruise to the Caribbean, Nassau, Puerto Rico, and St. Thomas, also traveling to the Bahamas, Hawaii, and all around Europe. Donnie is on two bowling leagues and his average is 160.

Senior Moments Been There...Done That!

In the first decade of the last century, pitcher Rube Waddell of Philadelphia Athletics, perhaps the most eccentric baseball player in the history, often wandered off between

innings when he was supposed to be in the dugout. Once, after a frantic search, teammates found him shooting marbles with some local kids behind the

ballpark; another time, he left to chase a fire truck. He sometimes arrived just a few minutes before game time, made his way through the stands, and jumped onto the field, tearing off his clothes as he approached the clubhouse to change into his uniform.

What's Happening At Westminster in August

Things are beginning to feel a little more like pre-COVID around Westminster. We

have started having the *Noon Rotary* meetings on Zoom. The

East Central Indiana Flute Choir and the *Atlanta Music Hall Band* will be performing. For the first time in over 18 months, our residents are going to Muncie's Civic

Theatre to see *Sound of Music*, which Westminster will be

sponsoring. We have started a

new activity

called *Watch & Chat*. Residents watch a short film or documentary and then they discuss it. Friday *Movie & Popcorn* and *Bingo* are popular events.

Hopefully we will be able to invite the public in to our events again soon. We miss having you join us.
